Why are you
calling me

only the
two of us now

Wah!!!

Ever since Naru and Keitoro come back from Hokkaido, they have been very close in front of everyone.

They are doing a disgraceful act

How can they...
How can they...
How can they...
How can they...

And you call yourselves warriors?

They actually kissed...
My God

Hinoto Inn still has kids living in it

They...
They...
They...

But they are not

Shocked!

They actually did that act...

Keitara

If
I
fall

I heard
rumors that
when a
woman falls
in love, she
becomes
prettier

Although
she was
pretty
already...

To celebrate Motoko's acceptance to Toudai University, we have a special event.

But really something to celebrate?

I haven't told my family that I have to re-take the exams

Truth is...

Ummm...
Oh no!
Oh no!
Big problem!!

My Sister thinks that I passed the entrance exams to Toudai...
WAAAAH

and she came here to hand me the school fees...

I'm dead!!
I was too scared to tell them the truth and now I'm so far behind...

No total

Ye...
Yes?

Maybe if I tell the truth now she'll be lenient

If she finds out the truth she'll kill me for sure!

WAH!
Now everything is getting out of hand!!

I've always concentrated so hard on training... I could only complete high school, so I placed all my hopes on you, hoping that you'll be able to enjoy life as a college student.

Congratulations!
I'm very happy for you.

Ho ho..
really?
Come
everyone
help
yourselves
to the
sushi!

Yeah! She's
studying
hard at
Toudai
everyday in
both martial
arts and her
classes!

Shunbu:
Matako was accepted
into Toudai's best
Language division
with flying colors.

Ma, Matako
was accepted
into Toudai's
best language
division with
flying colors.

Please...
Please lie
to my
Sister
for me..

Mitsune:
Yeah! She is
studying hard
at kendo and
her classes..

Your sister
thinks that
you passed
the exams
and are
already in
Toudai?

Really,
so....

WHAT!!

What did
you
say?!

These
kinds of
lies are
easily
exposed!

Ohh...

Ohh...

You not only
lied about being
accepted... you
can't even tell
her that you
are a ronin?

I.... I
just
couldn't
tell her...

I'm
sorry...

If you lie
about being a
Toudai
student...
doesn't that
make you just
like Keitaro
when he first
got here?

!!

WAAH

WAAH

Don't worry.
You just have
to hurry and
pass the
next practice
exam...

I'll just
commit
seppuku to
apologize!

What!
Matakol!
Hold on a
second!!

Aoa....
Keitaro.. I'm
Sorry!
I was the one
who tried to kick
you out because
of that lie..

are
you
sure?

Then
you'll be as
good as in
to Toudai.

You just
have to
work hard
and get on A
for the next
exam...

OH
NO

I'll tutor
you for a
while... so
let's work
hard
together.

This way,
even your
sister will
approve
of what
you say ..

Of

I'm not
like
you...

Oh
Really?

I don't
need your
help to
get on A!

What...
What are
you
saying?

Kei...
Keitaro..

It's unavoidable
who would've
known
Motoko
would get in
this much
trouble.

Really .. And
we were
going to
Toudai
together
tomorrow for
lessons ...

EHP

Well, there's
no other way
I can't ask
Kentarō to
tutor me,
guess I'll have
to ask Naru-
Senpai.

Say it! Do
you have
any other
intentions?

No!
I don't!
Why
would you
think
that?

Hard to
say!
Motoko has
been getting
cuter these
days...

We oft
have to
help
Motoko.

You're
responsible
for
carrying
out the plan
to fool
Motoko's
Sister.

Well, you've
been nice to
Motoko
ever since
back then.

I give
up...

This isn't
working I
can't
concentrate
on studying
at all...

sigh...

閃躲!

You just
now
noticed?

驚嚇!

Why did I
set my
goal to be
a student
at Toudai?

Why...

Oh...

停住!

You're
full of
weak-
nesses...

What do
you want?
I'm thinking
about
something
right now -
leave me
alone

I
thought
she was
my sister.

辣辣!

辣辣!

Even I can
easily
defeat you
right now...

Ack...

Metako-san,
why did you
set your goal
to be a
student at
Toudai?

啪嗒!

Ka...
Kanakal!

啪嗒!

And what
subjects
would that
be?

That's... That's
because they have
the subjects I'm
interested in...

辣辣!

Why is every
one looking at
me?

Waaa...
This is just
embarrassing

Why
are you
dressed
like
that?

You
look
like...

Ho Ho...
It
doesn't
suit me
right?

Nope.
It looks
cute on
you.

So, it
was
Kanako's
dress...
No

What
does this
mean?
Are they
all
laughing
at me?

sigh...
even he
said I'm
cute....

I found
some
pretty
good
books...

and checked
out some
books on the
subjects you
need help in...

Cough...
I was at
the
nearby
library...

Wah...
Why are
you
choking
me?

OH YEAH!!

Why are
you here?

SPEAK UP!

What?

That's right!
Because you
said you didn't
need tutoring
and you study
better by
yourself...

You...
were
helping
me...

Who would have known you were helping me like this

While I was still wandering off...

You really think that's good?
Idiot!

Aoyama Motoko...
You're so useless!

Worst o second Keitaro!

Motoko...
good luck on the exam...

Please teach me how to study!
Teacher Keitaro!

Please...
Please accept me as your student!

She's probably still at Taudai

She stays and studies by herself...

Oh really...

IT HAS ALWAYS BEEN HER WISH TO PUT IT BACK WHERE IT BELONGS.

THE VASE WAS A GIFT FROM ONE OF MY NOW-DECEASED FRIENDS. SHE KNEW IT WAS STOLEN!

EXCELLENT!
MY MISSION
HERE IS DONE!

IT WASN'T A PROBLEM.
THANKS,
SETA!

SORRY FOR MAKING YOU WAIT SO LONG!
